Declaration on the Use of AI Tools

AI-based tools were used to assist with the work described below. All AI-generated suggestions were reviewed, verified, and edited by the author, who takes full responsibility for the final content.

Tool	Purpose	Verification
Claude (Anthropic)	Rephrasing drafts and scaffolding example code.	Text rewritten in own words; all code read and tested.
Grammar/spell checker	Grammar and spelling corrections.	Each suggestion reviewed individually before accepting.

Declaration of Authorship

I hereby declare that I have written the present paper independently and without the use of any sources or aids other than those indicated. All passages taken verbatim or in substance from published or unpublished works of others are marked as such. Aids used in preparing this paper, including AI-based tools, are disclosed in the *Declaration on the Use of AI Tools*. This paper has not previously been submitted in the same or a similar form to any other examination authority and has not been published.
